

Neighborhood Church is very excited about having our first **Vacation Bible School (VBS)** this summer. Our theme will be VeggieTales® *The Pirates Who Don't Do Anything*, a week of heroes, veggies, and, of course, pirates!

Everyone will be riding the high seas of adventure through stories about real heroes, lively songs, action-packed games, amazing science experiments and crafts that everyone can treasure. All these things make VBS a wonderful part of any child's summer.

VeggieTales® *The Pirates Who Don't Do Anything* Vacation Bible School will be an inspirational and educational experience for all who attend. We will have pre-school classes for children as of age 3, as well as classes for children kindergarten through fifth grade. VBS dates are **Monday, June 23rd through Friday June 27th**. We start our day at 9 a.m. and finish at noon.

A VBS registration form is below. Deadline for signing up is **June 15th**. Please fill out the information and mail it to Neighborhood Church, ATTN: VBS Director, 263 Texas Avenue, Bangor, ME 04401-4370 **as soon as possible** as we are limited to 50 children this summer. You **MUST** include an emergency number on the form (cell phone, work or home number where you can be reached while your child is at VBS); otherwise your registration is incomplete.

If you need any further information concerning VBS, please call the church office at 207-945-9937 or e-mail the VBS Director, Susan Witt, at heysuet@juno.com. Mark your calendar and plan to join the fun with the VeggieTale pirates for a week of finding out what it means to be a TRUE hero!
